BUSINESS ENGLISH

COMMUNICATE CLEARLY. LEAD CONFIDENTLY.

Practical English training that helps professionals perform with confidence across meetings, presentations, emails and global business relationships.

FOR MALAYSIAN & GLOBAL TEAMS

BUSINESS ENGLISH THAT WORKS IN THE REAL WORLD

BUILD COMMUNICATION THAT MOVES BUSINESS FORWARD

Business English is not only about grammar. It is about helping people express ideas clearly, collaborate across cultures and represent your organisation professionally.

YOUR TEAM CAN DEVELOP:

- **Clearer workplace communication**
Share information accurately and reduce misunderstandings.
- **Greater professional confidence**
Speak with purpose in local and international settings.
- **Stronger global collaboration**
Work effectively with clients, colleagues and partners across cultures.

Ideal for executives, managers, customer-facing teams, technical specialists and emerging leaders.

FOCUSED TRAINING PATHWAYS

- 1 Professional communication**
Speak clearly, build rapport and choose the right tone.
- 2 Meetings & discussions**
Contribute ideas, clarify points and manage conversations.
- 3 Presentations & public speaking**
Structure messages and present with authority.
- 4 Email & business writing**
Write concise, professional messages and reports.
- 5 Sales & negotiation**
Communicate value, handle objections and seek agreement.
- 6 Customer service**
Respond professionally and manage challenging situations.

Select one pathway or combine several into a customised programme.

BUILT AROUND YOUR BUSINESS

Every organisation communicates differently. Training can be adapted to your industry, team roles, proficiency levels and business objectives.

A SIMPLE, PRACTICAL APPROACH

- 1 Understand the need**
Identify communication gaps, roles and priorities.
- 2 Shape the programme**
Agree the focus, format and suitable learning plan.
- 3 Train through practice**
Use relevant scenarios, tasks and guided feedback.
- 4 Review progress**
Reinforce learning and support continued improvement.
